

How do I add the BoxCast app to my AppleTV streaming device?

1. Open the App Store on your Apple TV (Generation 4 or later¹).
2. Browse or search for the BoxCast app, then select the app.
3. Select Get (it is free).
 1. You might need to sign in with your Apple ID.
 2. After your app finishes downloading, you can [move it around on your Home screen](#).

4. When the BoxCast app has been added launch the app
5. The first time you launch the app search for 'Bethel Lutheran Church'
 1. If there are more than one, select the one with the picture of Bethel
6. Launch the Bethel stream.
 1. If you wish, you can 'Add to Favorites'
7. Select the desired stream (e.g., 'LIVE' or one of the previously recorded streams)

¹ Earlier generations of AppleTVs can also have the app loaded but may have a somewhat different process.
